

1. Log in to QRZ, and on the far right part of the menu bar, Select your call, then click on “Edit”

2. Click  Add or edit your **biography** text, fonts, etc.

3. Click the “Source” button (upper left)
4. Copy the html code from the desired banner (at <http://www.hamqsl.com/solar.html>) and paste where you would like it in the QRZ page. Make sure its in English (not translated)
 - You can add paragraphs <p>, breaks
 for spacing, and justify <left> or <right>
 - You can customize most banners (see <http://www.hamqsl.com/FAQ.html#Solar>)

5. At bottom of page, click “Save” to save it or “Cancel” to exit without saving.

6. Click  **Done.** Return to the **NONBH** listing..
7. Verify banner is displayed where you want it. *Remember 20 refreshes in 20 minutes gets your computer banned for excessive refreshes – most common done when working on web pages. See <http://www.hamqsl.com> for instructions on getting removed from the banned file.*
8. Contact me at n0nbh@cox.net with any problems. 73 de Paul NONBH
